

# Watershed Park Inventory

Visit two or three parks along the watershed. Use one sheet for each park to record your observations and feelings. Is there one place you like better? Think about why that might be.

Name of Park/Place

Date and Time

Can you see the creek from this place?

Is this place wooded or open? Describe the vegetation.

Can you see animals or hear birds? Describe these.

Does this appear to be a good habitat for fish, or other wildlife? Why?

What does the surrounding area look like? Buildings? Streets?

Is this a busy place? Do you see lots of traffic or people?

Do you feel safe here? Why or why not?

Does this place have amenities (bathrooms, garbage cans, picnic tables)?

Would you like to come back here with your family? Why or why not?
