WHAT IF...

1. I can't survey for the date I'm signed up for?

Contact your week's substitute and update Marissa

2. I can't get in touch with my survey partner?

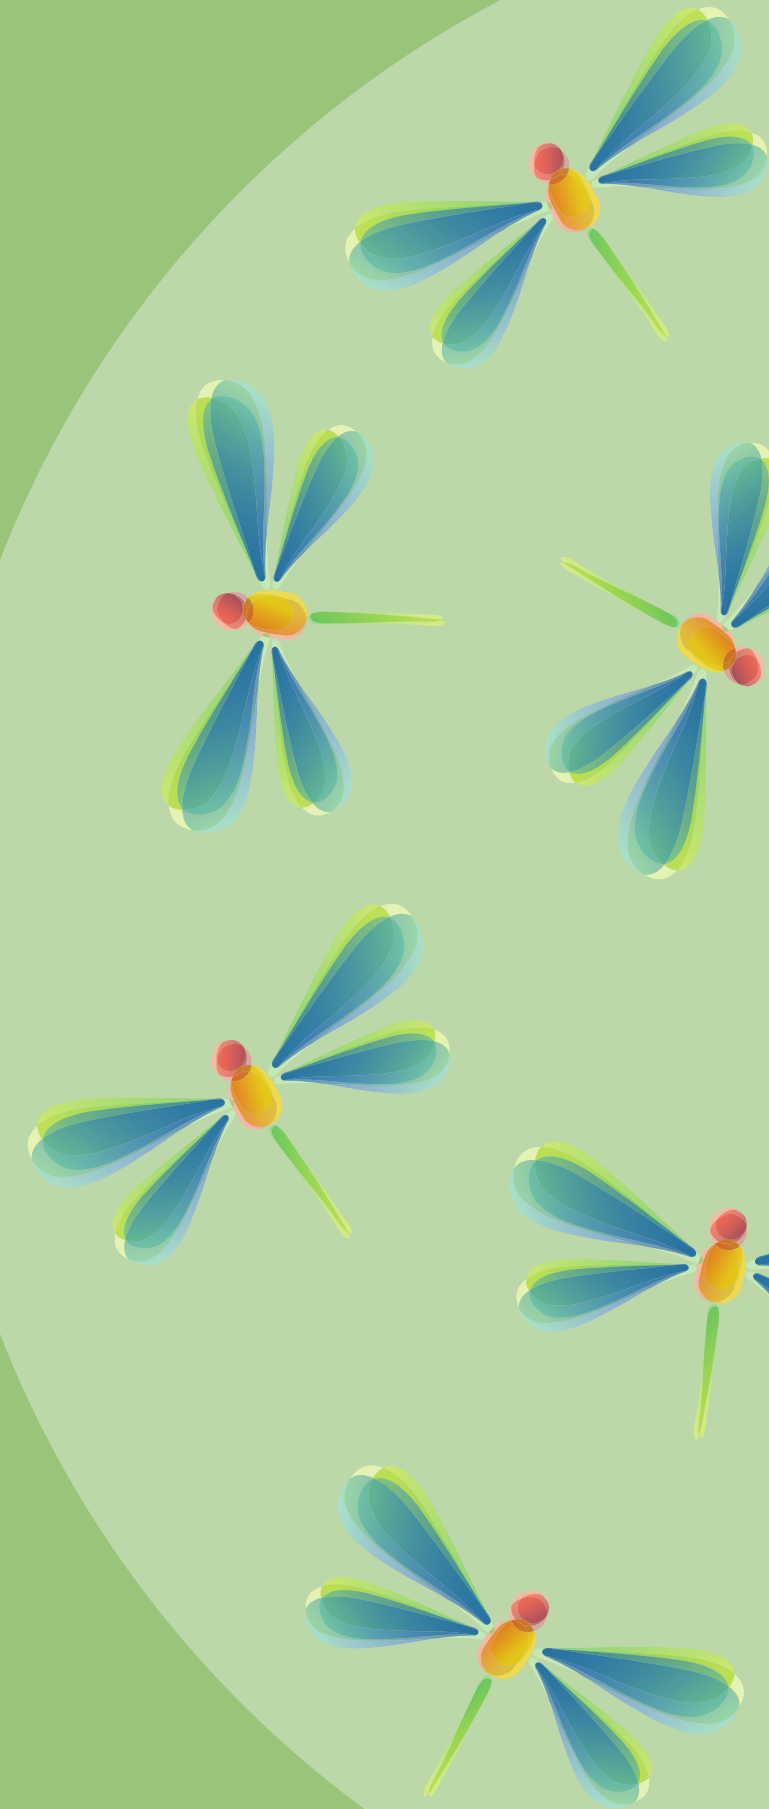

Contact your week's substitute and update Marissa

3. Someone asks me what I'm doing while surveying?

Tell them you are a volunteer surveying for dragonflies with JCWC

4. I see someone camping at my site?

If you see someone you can let them know what you are doing, otherwise just leave them and their belongings.

The image features a solid green background with a large, light green circular area on the left side. Within this circle and extending slightly outside its edges are several stylized dragonflies. Each dragonfly has a yellow-orange body, a small red head, and six blue wings with green outlines. They are arranged in a circular pattern around the central text.
